### **Further Information – Paradise Bar**

The chicest location to head for on Poole Quay is Da Vinci's Paradise Bar, nestling at the back of Da Vinci's Pizzeria in Paradise Street. Opened in summer 2007, the Bar features black marble, Scandinavian woods and red leather to create a modern contemporary ambience in stark contrast to its old warehouse setting.

- Kick start your the morning the Italian way with a delicious Italian cappuccino or espresso coffee.
- Relax with an aperitif before dining at either of our two great restaurants, Da Vinci's Pizzeria or Da Vinci's Warehouse.
- Come and enjoy an Italian on The Quay, a Paradise Punch or a Da Vinci's Devil, our specially created cocktails featuring classic Italian drinks and liqueurs.
- Dine Al Fresco in the new esplanade area with tables situated outside in paradise street.

Da Vinci's Paradise Bar is open from noon till late every day and also can be exclusively hired as a private function room or packaged together with other elements of Da Vinci's on Poole Quay.
